

COLLEGE OF CHARLESTON
Office of Research and Grants Administration

Yearly Report on External Funding Activity—Awards & Proposals
Fiscal Year 2018

The College of Charleston received 86 awards totaling \$6,824,833 in external funding during fiscal year 2018. Of these awarded funds, 49% came from federal sources. The College of Charleston received the most awards from the National Aeronautics and Atmospheric Administration and the National Science Foundation.

During the same fiscal period, 110 proposals requesting \$16,397,127 in funding were submitted to 51 different sponsors. 62% of these funds were requested from federal sources. The sponsor to which the most proposals were submitted was the National Science Foundation with 28 proposals. Multiple proposals were also submitted to the National Aeronautics and Space Administration, the National Institutes of Health and the US Department of Defense.

Schools within the College of Charleston received 77 grants. The School of Sciences & Mathematics received 40 awards and \$4,645,165 in funding. The School of Education, Health, & Human Performance received the second highest amount of awards with \$619,942 in funding from 12 awards. Each College of Charleston School was awarded multiple grants, as was the Graduate School. The six schools and the Graduate School were awarded a total funding amount of \$5,784,984. The remaining grants were awarded to Athletics, Student Health Services, Multicultural Student Programs and Services, and the library.

Among the many innovated and exciting projects that received funding in 2018, there are several to spotlight. Approximately \$1,100,000 was awarded by the National Science Foundation two fund two different microbial research projects occurring in the Arctic and the Antarctic. The US State Department awarded approximately \$25,000 to Bret Lott to facilitate a creative writing that mentored students at the University of Bahrain. Masters students at the college worked with students in Bahrain, teaching creative writing. At the culmination of the program, the College of Charleston students traveled to Bahrain to present their work. Additionally, Harlan Greene was awarded \$100,000 from the Donnelly Foundation to document the Low country LGBTQ community, preserving the community's history and culture.
